

Angelo Mendola, Bio

As president and chief operating officer at Priority Payments Local, Angelo is responsible for the national and local operations of the company. He brings more than 15 years of experience as one of the company's founders. His experience and leadership have been focused on developing and delivering technology-driven business services and solutions, providing outstanding client service, and driving profitable revenue growth. While focused on new company initiatives, culture and employee experience are all at the forefront of the exemplarily service delivered to clients, Angelo encourages employee growth and opportunity to enhance all of the users experience for vendors, sales partners and end user Merchants.

With 10 years of sales and infrastructure management, focus on service and cutting-edge products are in his DNA. After serving as YP.com General Manager for 5 years, Angelo saw a need for a new age approach to payment processing where the sales partners would be serviced first to then offer the companies solutions with an immutable delivery backed by an award-winning team of client services, strategy, and implementation specialists. Priority Payments Local's success is driven on a daily basis by the leadership he delivers. Industry leading service and payment solutions for merchants are simply the by-product of this well-oiled machine with Angelo at the helm.

As a husband and father of 3, Angelo also participates in many local charities and functions as a board member to collegiate foundations to help give back. He also contributes to the education of those in his field with many of his trainings and writings printed in national publications.
